

# CALLING ALL TEENS

## HELP REDESIGN EAST PHILLIPS & CEDAR PARK

Starting in January, EPIC & Midtown are engaging youth from Midtown and East Phillips to collaborate on the MPRB redesign of East Phillips & Cedar Park. We are looking for youth between the ages of 14-17.

After a series of three workshops with community leaders and urban design planners from the University of Minnesota, the youth will be able to showcase their designs and ideas at a community fair and share their work with East Phillips and Midtown residents.
