We're excited to announce the 23rd Annual Phillips Clean Sweep — a beloved event where neighbors from all four Phillips neighborhoods (Phillips West, Phillips East, Midtown Phillips, and Ventura Village) come together to clean, connect, and celebrate our vibrant community.

### **Volunteer Type Description:**

- Set up at Welna: This includes helping set tables up, managing a table, directing participants in line, etc.
- Take Down / Clean Up at Banyan: You would help put tables away and clean up the space.
- Garbage Truck Rider: We need lots of garbage truck riders. Garbage truck riders must show up to Welna at 9AM. They help the garbage truck drivers load trash onto the trucks. You will have a break for lunch at Banyan.
