HENNEPIN COUNTY
MINNESOTA

Hello Neighbors, Happy Spring!

Join us Saturday, May 30th for a Heart Health Walk

This event is part of Hennepin County's **"Your Heart Beats for Generations"** Healthy Hearts initiative.

- Poor heart health impacts Black and Brown communities more heavily than the rest of Hennepin County.
- Women experience higher missed or delayed diagnoses of poor heart health.
- Women tend to be less aware that they're at risk for potentially life-threatening heart problems due to signs and symptoms of heart problems being different from men.
